*'Christmas by the Shore'*  
Group Celebration Packages

Dear Elfin Crew,

I hope this memo finds you well and jingling your bells with gusto. It's nearly that time of year again - the season of tangled fairy lights and reindeer yoga (don't ask; Blitzen's downward dog is a sight to behold) - so listen up my pointy-hatted pals, I've been crunching numbers (not cookies, actual numbers) and realise we're overdue for a proper festive shindig. Sure, we've had impromptu snowball fights and accidental tinsel slip 'n slides, but it's time to up our festive game.

I suggest we make this festive season sparkle with salt, sand and shared merriment - let's enjoy a change of scene, indulge in some sea breezes and some festive flavours and let the tides carry our merriment while the amazing team at The Sands Receptions take the reins and look after everything from the decorations to the catering!

So, my merry mischief-makers, let's make this elf-fest unforgettable. And if anyone spots the Abominable Snowman, tell him he's invited too - we're all about inclusion up here.

See you under the twinkle lights, my little sugarplums!

Yours in jiggly belly laughs, Santa
